

Hey, Buddy...

Can You Spare Some Time?

CONGRATULATIONS! This is a very special book! It's been liberated. That is, it is absolutely FREE - a gift from me to you. Please take it home & enjoy!

I'm a member of an anonymous book-sharing community on the internet and have registered this book there. Please visit www.BookCrossing.com and enter a brief note that this book is in safe hands. You do not have to register or join to do this. There is no cost involved. No one is going to try to sell you anything & you can stay anonymous!

The individuals who are a part of BookCrossing.com just like to spread the joy of reading by leaving books 'in the wild' or trading them directly with other members. Our greatest joy is knowing that someone has found and is enjoying the books we've left behind.

When you're done, release the book so its journey can continue.
Happy reading!
